

Security marking	The distribution of this document is governed by Data Protection Regulations (Regulation (EC) No 1725/2018 of the European Parliament and of the Council) and Security Policies (Security Notice 1). Not for distribution outside of the organisation's services. Not for Intranet or any other form of publication. Distribution of all or parts of this report to managers in the organisation must be restricted to those that "need-to-know" as determined by the controller of the data (contact: HR-Data-and-Analytics@ec.europa.eu). Where e-mail is used, encryption must be applied (e.g., SECEM). For more detailed information please consult our DPO notification (https://europa.eu/!KG6F3t) and HR Reporting privacy statement (https://europa.eu/!JMD4PP)
Description	This report provides multiple analytic views on Staff. It provides Staff distribution by Entity, Job Location, Budget, Gender, Grade, Age, First Nationality, Employment Type, Function Group and several combinations of these attributes.
Reference population	<p>The population included in this statistical bulletin is limited to Officials, Temporary agents, Contract staff, Local Staff, Special Advisers and Agents under national law in administrative status Active, Secondment from an Institution, Secondment in the interest of service in the Institution, Secondment in the interests of service, not paid by Institution of origin, Secondment in the interests of service, paid by Institution of origin; in accordance with Article 35 of the Staff Regulations.</p> <p>Staff in administrative status Secondment from an Institution are not included when they are Senior and Middle Managers.</p>
Reference period	<p>Administrative status in Secondment in the interests of service, not paid by Institution of origin and Secondment in the interests of service, paid by Institution of origin are only included when they are Senior Managers.</p> <p>Senior Managers in administrative status of Secondment in the interest of service in the Institution are included in their DG/Entity of Origin.</p>
Data quality notes	<p>According to the snapshot selected in the query prompt. Career Datamart snapshots are created on 1st, 16th, and end-of-month.</p> <p>Officials and other agents may possess dual or multiple citizenships. The basis for the breakdown displayed in this report is the 'first nationality' as encoded in the SYSPER. As a result of potential data collection issues, a limited number of agents who possess a second or third EU or non-EU nationality could appear categorised inconsistently. These data quality issues are constantly monitored with the aim of providing accurate statistical information.</p>
